

Brainstorming Type I Topics Worksheet

General Content Area: _____

Grade Range: _____

Number of People in this Group: _____

1. Choose a chairperson to report back for the group.
2. Develop a list of ideas by using topic branching or another brainstorming method. These ideas should be topics (not specific activities) and areas not typically covered in the regular curriculum.
3. When your list is formed, go back and circle those topics for which you'd like to develop Type I experiences.
4. List possible sources for each topic circled.
