Teachers

Thank you for your help with this survey. We will use this information to help us plan Type II training in the enrichment room and in the classrooms.

Directions

Please read the following list of skills and rank each on a 1–5 scale (5 being highest) according to the amount of time devoted to teaching students how to use this skill. Then, in the righthand columns, rate each of these skills in terms of their importance for all students and for Talent Pool students who are receiving additional instruction time in the enrichment room or regular classroom. Thank you.
