

Objectives for a New SEM Program Years 3–5

1. The expansion of Type I opportunities by:
 - a. scheduling bimonthly building-wide Type Is.
 - b. organizing a districtwide system for arranging Type I speakers, Type II mini-courses, and Type III mentors.
 - c. Encouraging classroom teachers to make and share interest development centers, etc.

2. The diffusion of Type II techniques into the regular classroom by:
 - a. model teaching of Type II skills.
 - b. encouraging classroom teachers to team-teach Type IIs.
 - c. organizing in-service for classroom teachers in the major objectives of Type II Enrichment.
 - d. regularly scheduling enrichment clusters in each school.

3. The expansion of the program into:
 - a. the primary grades,
 - b. the secondary level, and
 - c. the art program.

4. The establishment of communication vehicles by:
 - a. creating schoolwide newsletters,
 - b. starting a district newsletter, and
 - c. sending home parent progress reports.

5. Continue working on the expansion of curricular modification and differentiation strategies through curriculum compacting and replacement activities.
