Directions

Read each statement and decide how often your child exhibits each behavior. As you respond, ask yourself, “To what degree does my child exhibit the behavior listed when compared with his or her age peers?” Please respond to all statements, circling one number for each.

0 = Never exhibits the behavior in comparison to his or her age peers
1 = Rarely exhibits the behavior in comparison to his or her age peers
2 = Exhibits the behavior about the same as his or her age peers
3 = Exhibits the behavior somewhat more in comparison to his or her age peers
4 = Exhibits the behavior much more in comparison to his or her age peers

If your child is rated with six or more 4s, please provide examples that demonstrate his or her strength in that area in the space provided below the scale.
